**Alumni Association Logo**

The Gonzaga Alumni Association logo graphically conveys the spirit and pride associated with Gonzaga to all persons who call themselves “Zags,” including alumni, chapter members, friends, spouses, parents, children and athletic fans. The primary logo colors of red and blue express the connection people have with Gonzaga and its athletic prowess, while “Zags” signifies the word people use most often when associating themselves with the University. The logo is a distinct visual mark that represents the Alumni Association and its chapters to all of its constituents and to the world.

The logo places special emphasis on the words “Zag” and “Alumni” to visually highlight the importance of both of these words to its constituents. The logo is a visual representation of the Alumni Association in that it:

- serves as a common, identifying mark to help increase Alumni membership on all levels, create and maintain lifelong relationships, and enhance scholarships for Gonzaga students;
- improves the visibility and solidifies the identity of the Alumni Association both on and off campus.

**Logo Requirements**

The Alumni Association is to use the official Alumni Association logo on all materials and communication representing the association (e.g., letterhead, email signature, ZagsOnline website, chapter correspondence).

**Logo Components**

The logo has specifically chosen typefaces and no other typefaces should be substituted. This is the approved, official Alumni Association logo. No other renderings, formats or versions are acceptable. Only approved electronic artwork should be used to reproduce the logo.

**Additional Acceptable Formats**

Whenever possible, the Alumni Association logo is preferred; however, for certain applications, one of the following formats is acceptable.

- **Alumni Association Logo with Logotype**
- **Alumni Association Logo with Logotype and Chapter Designation**

Two-Color Logo (Blue and Red)  One-Color Logo (Black or Blue)
**Clear Zone**
When applying the Alumni Association logo, it is essential to leave a measured amount of space around the logo to maintain optimum readability. Always maintain at least a minimum of .5X of breathing room around the logo. Keep this area clear of other elements such as text, rule lines and page edges. More space is always preferred.

**Minimum Alumni Association Logo Sizes**
Adherence to minimum logo sizes ensures logo readability and recognition in small sizes. Logo size is determined by measuring the width of the mark. Never reproduce the Alumni Association logo smaller than the minimum sizes shown.

**DO NOT** display an incomplete Alumni Association logo.

**DO NOT** switch the colors around in the Alumni Association logo.

**DO NOT** display the Alumni Association logo on a background that provides inadequate contrast or is overly busy.

**DO NOT** reverse any version of the Alumni Association logos.

**DO NOT** replace ‘Gonzaga University Alumni Association’ text with another font.
Application of Logo to Marketing Materials or Apparel

Marketing Campaigns
Secondary athletic logos may be used in marketing campaigns as a secondary graphic to the Gonzaga University logo or Alumni Association logo. The secondary athletic trademarks are never to replace the official Alumni Association logo.

Sample Marketing Campaign Postcard with Secondary Athletic Logo (Bulldog Head)

Gonzaga Secondary Athletics logos
The secondary athletic logos, shown below, are allowable for campus use within the Gonzaga University Athletic Logo Guidelines.

Spirited or Athletic-Related Events
The Alumni Association logo may be used in conjunction with Gonzaga-spirited or athletic-related events (e.g., Freshman Send-Off, Little Zags Day). The fonts Univers and Trajan MUST NOT be used for the name of the event (e.g., Little Zags Day), or as other text accompanying the Alumni Association logo. Additionally, clear zone requirements must be observed when placing text around the Alumni Association logo.
Co-Branding Materials
Secondary athletic logos may be used as graphic elements in apparel design for internal usage (e.g., staff polo shirts and hats). Graphic elements must be consistent with the co-branding guidelines as defined in the University Visual Identity and Graphics Standards Guide. Internal apparel and promotional items must be approved by Gonzaga Marketing and Communications.

Retail Sale or Giveaway Items
Secondary athletic logos may be used as graphic elements in items for retail sale or giveaway items (e.g., shirts with Bulldog Head and “Zag Alum” underneath). For retail and giveaway items, please consider using the official Alumni Association logo as either the primary or secondary logo.

All retail or giveaway items must be produced and submitted through a CLC licensed vendor and approved by the Director of Licensing at 509-313-6365.

This design is acceptable because it uses a secondary athletic mark, text in a font that DOES NOT resemble the Athletic Logo font, and observes the co-branding guidelines.

This design is NOT acceptable because it uses a secondary athletic logo (Bulldog Head) directly next to the Alumni Association logo. When producing items for retail or giveaway, co-branding guidelines must be observed.
